Glossary

Information on the number of visitors, their nationality and age distribution are among the important economic indicators. Tourism industry has contributed significantly to the Zanzibar's economy and it is therefore necessary that such information is made available on a timely manner. This release reports on arrivals of foreign visitors. Detailed information on the age and sex distribution; mode of travel; nationality and regional distribution; and purpose of travel of visitors are also provided. The information was captured using the Arrival Declaration cards on visitors who entered Zanzibar through both the airport and sea ports.

Definition and Concepts

Tourist: refers to any person travelling to a place other than that of his/her usual environment for less than 12 months and whose main purpose of the trip is other than the exercise of an activity remunerated from within the place visited. (According to the United Nations World Tourism Organization -UNWTO)

Visitor: refer to any person travelling to place other than that of his/her usual environment for less than twelve months and whose main purpose of trip is other than the exercise of an activity remunerated from within the place visited.
